

NATURHAUS Alcohol Thinner

Product information: NATURHAUS *Alcohol Thinner* is a solvent mixture for the thinning of alcohol-based paints such as NATURHAUS *Natural Resin Primer "Clear"* (Prod. No. 92809), NATURHAUS *Natural Resin Primer "Coloured"* (Prod. Nos. 92850-92861), NATURHAUS *Pore Filler* (Prod. No. 92809) and NATURHAUS *Natural Resin Patina Stains* (Prod. Nos. 92901-92910). Our alcohol thinner is a natural product derived from fermentation ethanol and the peels of orange fruits. It is free of petroleum distillates, mineral spirits and other synthetics. Professionals as well as do-it-yourself painters and artists can use this thinner with all alcohol-based paints and finishes. It is further great for cleaning application tools and spots.

NATURHAUS *Alcohol Thinner* is classified as environmental safe and quickly degrades to carbon dioxide in the atmosphere. It has no influence on the greenhouse effect.

Ingredients: Ethanol, orange oil, triple-refined.

Physical properties: Density: approx. 0.85 g/ml; viscosity approx. 10 seconds (ISO 2431, 4 mm).

Hazard classification: *Highly flammable (F, R11)* according to *Council Directive 1999/45/EEC*.

Storing conditions: Keep the original container tightly closed and store in a dry, cool, and well ventilated area. The product can be stored up to 2 years.

Security and disposal information: Keep product away from children. Keep away from sources of ignition and refrain from smoking. Ventilate working area during application. Do not allow to enter drains, surface waters and groundwater. Empty containers completely and send to a licensed recycler. Dispose of used or contaminated product in accordance with local authority requirements. For further information, please ask for our EC material safety data sheet.
