

## NATURHAUS Floor Lotion

**Product information:** NATURHAUS *Floor Lotion* is a maintenance product used to protect, and build sheen on sealed and waxed floors of all types including wood, cork, linoleum, and stone. Its regular use as part of a protective maintenance program will help build a dirt-resistant, anti-static, breathable, water-resistant coating of natural wax and shellac.

**Note:** NATURHAUS *Floor Lotion* is not a cleaning agent and should not be used on dirty or damaged surfaces.

**Ingredients:** Unbleached beeswax, carnauba wax, shellac, cosmetic emulsifier and purified water.

**Application:** NATURHAUS *Floor Lotion* should be applied directly to the floor surface, allowed to dry for 30 to 60 minutes, then buffed lightly with a dry mop. If desired, the product can also be added to warm water and used to clean flooring with a mop moistened in the solution.

**Physical properties:** Density: approx. 1.00 g/ml; viscosity approx. 14 seconds (ISO 2431, 4 mm).

**Test specifications:** DIN EN 71-3 (security requirements for toys intended for children).

**Hazard classification:** The product does not require labelling according to *Council Directive 1999/45/EEC*.

**Storing conditions:** Keep the original container tightly closed and store in a dry, frost-free area. The product can be stored for up to 2 years.

**Security and disposal information:** Keep product away from children. Empty containers completely and send to a licensed recycler. Dispose of used or contaminated product in accordance with local authority requirements. For further information, please ask for our EC material safety data sheet.

**Product No:** 02400
