

NATURHAUS Natural Wood Restorer

Product information: NATURHAUS *Natural Wood Restorer* has been specifically formulated to restore severely weathered oiled, waxed and untreated wood to its natural colour and to prepare wood surfaces for recoating. It will quickly restore heavily grayed and weathered wood surfaces, remove tannin bleeding, water stains, mildew, mold, and discolored surface fiber from all exterior wood surfaces, such as decks, wood siding, log homes.

NATURHAUS *Natural Wood Restorer* restores old weathered wood to its natural colour. The bleach-free formula is gentle to wood and the environment.

Note: The product is not for removing old finishes.

Ingredients: Natural fruit acid complex, anionic and non-ionic cleaning agents, rice starch, purified water.

Application: NATURHAUS *Natural Wood Restorer* should be applied abundantly to the surface to be restored using a stripping brush. Remove or carefully mask metallic objects before the application. After a residence time of 5 to 10 minutes, work the product in with a coarse scrubbing brush or a pad with abrasive texture. Remove residues and dirt completely after 5 to 10 minutes by washing with lukewarm water. If necessary, repeat the treatment. Note: Incompletely removed product may impair oil and wax recoatings. After a drying time of approximately 24 hours, the surface may be sanded and treated with NATURHAUS *Oil Primers, Resin & Oil Finishes, Hardwax Oils* and *Hardwaxes*.

Clean spots and brushes with water.

Physical properties: Density: approx. 1.02 g/ml; viscosity approx. 38 seconds (ISO 2431, 4 mm).

Coverage: 60 - 100 m² per l (10 - 20 g/m²), depending on substrate absorbency and other variables.

Test specifications: DIN EN 71-3 (security requirements for toys intended for children).

Hazard classification: The product does not require labelling according to *Council Directive 1999/45/EEC*.

Storing conditions: Keep the original container tightly closed and store in a dry, frost-free area. The product can be stored for up to 2 years.

Security and disposal information: Keep product away from children. Empty containers completely and send to a licensed recycler. Dispose of used or contaminated product in accordance with local authority requirements. For further information, please ask for our EC material safety data sheet.
