

NATURHAUS Resin & Oil Cleaner

Product information: NATURHAUS *Resin & Oil Cleaner* is a orange-based solvent for the cost-effective cleaning of machinery and other equipment. It is a natural product derived from the peels of orange fruits, and free of petroleum distillates, mineral spirits and other synthetics. The product is obtained from the re-distillation of NATURHAUS products. It dissolves oil, grease, tar, gums, waxes and resins. Professionals as well as do-it-yourself painters and artists can use this thinner with all oil-based.

NATURHAUS *Resin & Oil Cleaner* is classified as environmental safe and quickly degrades to carbon dioxide in the atmosphere. It has no influence on the greenhouse effect.

Ingredients: Natural orange oil, re-distilled.

Physical properties: Density: approx. 0.85 g/ml; viscosity approx. 12 seconds (ISO 2431, 4 mm).

Hazard classification: *Flammable liquid (R10), Xn Harmful: may cause lung damage if swallowed (R65)* according to Council Directive 1999/45/EEC.

Storing conditions: Keep the original container tightly closed and store in a dry, cool, frost-free and well ventilated area. The product can be stored up to 2 years.

Security and disposal information: Keep product away from children. Keep away from sources of ignition and refrain from smoking. Ventilate working area during application. Do not allow to enter drains, surface waters and groundwater. Empty containers completely and send to a licensed recycler. Dispose of used or contaminated product in accordance with local authority requirements. For further information, please ask for our EC material safety data sheet.
